

Cool Careers for Girls in Cybersecurity Summit 2011

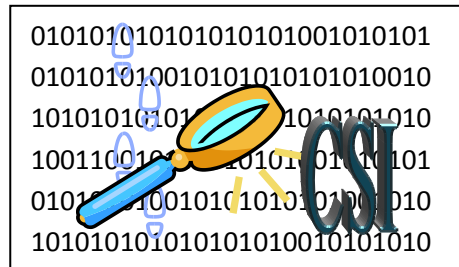

Middle School Girls! Become a part of the Cybercrime Security Investigations (CSI) team for a day to solve a cybercrime at a beauty pageant!

During this interactive crime solving event, girls learn from women in companies, organizations and agencies about what it takes to navigate the professional pipeline in the vast STEM fields of Cybersecurity and Information Assurance.

In order to solve a Cybercrime the elite all-girl CSI teams will

- investigate computer hardware.
- use digital forensics tools on
 - cell phones and pictures.
- program a human robot.
- solve cryptologic puzzles.
- explore system vulnerabilities.
- AND MORE!
