

SECURITY CLEARANCES

TOP SECRET WAY TO EARN MORE MONEY!

Everyone has to work. But what if there was a secret code to earning more for doing the same job?

There is! Jobs that require security clearances pay more than jobs that do not.

So, how do you earn a security clearance?

You have to be a US citizen, follow the law, model good behavior, make good decisions with money, use information technology responsibly, and be loyal to the United States.

WHAT IS A SECURITY CLEARANCE?

Certain information and locations are protected by law. In order to access confidential information or locations an individual must be investigated to assure that he or she will keep this information and what goes on in these locations secret.

- For more detailed information about these 13 Adjudicative guidelines see <http://www.fas.org/irp/offdocs/dcid6-4/class.htm>

Nobody's Perfect: What if I make a mistake?

There is a process which looks at the mistake you made to determine whether or not you will earn your clearance. This process reviews your conduct for the following 9 characteristics:

1. The nature, extent, and seriousness of the conduct;
2. The circumstances surrounding the conduct, to include knowledgeable participation;
3. The frequency of the conduct; behavioral changes;
4. The individual's age and maturity at the time of the conduct;
5. The voluntariness of participation;
6. The presence or absence of rehabilitation and other pertinent
7. The motivation for the conduct;
8. The potential for pressure, coercion, exploitation, or duress; and
9. The likelihood of continuation or recurrence.
